

## **Balaji Subbaraman**

I have done my MBA in HR from Mumbai University. I have over 17 years of HR experience out of which I have been a Compensation and Benefits specialist for over 11 years. Have been associated with ICICI Bank, Philips, Coffee day and presently with Robert Bosch, handling C&B, based out of Bangalore.

Have been an NHRD member since 2006. I have mentored young HR professionals during the NHRD FastTrack program. I have also conducted a C&B workshop in the NHRD fast track manager program and was a panelist in the NHRD student council panel discussion on "Does HR need financial Acumen" event at Jain University.

I am keen to do my bit for the HR community, by being associated with NHRD bangalore chapter to contribute towards the HR fraternity and being a part of the team which is elected to carry forward all the good work done by the present Bangalore chapter.
